

QUALITY POLICY

Meeting Group S.p.A. is a company specialized in the production and sale of women's sportswear (DEHA) and the production of men's, women's, and children's clothing for third parties.

The objective of the General Management of Meeting Group S.p.A. is to spread the culture of Quality and adopt a Quality Management System compliant with the requirements of the ISO 9001: 2015 standard. This is based on the following key elements:

- Innovation and continuous improvement of processes.
- Products conformity.
- Satisfaction of customer needs.
- Involvement of the main suppliers along the entire production cycle.
- Guarantee for employees of a safe place to work.

The Management has appointed a Quality Management System Manager who has the authority to supervise and manage the System and has trained all employees with the aim of spreading the culture of Quality at all company levels.

The Management undertakes to:

- Regularly review the Quality Policy with a view to continuous improvement, with the aim of keeping it updated and consistent with the evolution of the production, commercial and corporate context.
- Identify and periodically define specific objectives inherent to the Quality System through improvement plans.
- Share the Quality Policy with every level of the Organization with the aim of achieving the identified objectives.
- Ensure the allocation of the resources necessary to achieve the defined objectives.
- Regularly and systematically check the effectiveness and efficiency of the company Quality Management System, its implementation, the achievement of the identified objectives and to promote the necessary improvement actions.
